## Georges Vallerey Swimming-Pool

### Presentation of the meet

After ten successful meets, the Neptune Club de France is hosting its eleventh European Swim Meet **on Saturday, May 25 & Sunday, May, 26 2019** at Georges Vallerey swimming pool in Paris.

The European Swim Meet is **an official swimming competition** and a well-regarded event all over Europe. The meet provides a tremendous atmosphere for swimmers and coaches to come together in a great environment.

**Certified by the French Swimming Federation**, the European Meet will take place in partnership with the Regional Committee for Swimming (LIFN), the Paris Departmental Committee (CD75), the City of Paris and the Ile-de-France Region.

The competition is organized by the Neptune Club de France, a sport institution in Paris, which was founded in 1906. Affiliated with the French Swimming Federation, Neptune is one of the most prominent swim clubs in France.

The Swim Meet will last two days, all over the week-end, and is open to swimmers affiliated with a European federation recognized by the European Swimming League (LEN).

**Organized in a 50-metre pool, in heats/finals, with electronic timing** and with breaks for warm-up and recovery, it allows swimmers to compete in the best conditions.

### Facility

The European Swim Meet is organized at the Georges Vallerey pool in Paris. Built for the Paris Olympic Games in 1924, the whole facility was completely renovated in 1989, and still refreshed no further back than last year.

It is equipped with a 50m x 21m pool and regularly hosts major swimming competitions: the FINA Swimming World Cup, Gay-Games 2018, National Championships, Regional Championships and numerous other meets.
